

# Share-A-Meal To-Go

While we continue to navigate these difficult times, our staple Share-A-Meal program looks a little different!

Nothing says “home” like sharing a warm meal with those that mean the most to you. Our goal is to provide breakfast items, lunch, and dinner to the families we are caring for.

Support our new Share-A-Meal To-Go program by:

## Gift Cards

Donate gift cards to local restaurants, grocery stores, or delivery services!

These will allow us to order meals, or provide to guest families spending extended periods of time with their child in the hospital.

## Schedule A Catered Meal

You can schedule a catered meal for our guest families from a licensed retail food establishment.

Please call ahead to schedule your meal dropoff.

## Provide Ingredients

Although we are not able to invite volunteer groups back into our House kitchens just yet, you can still provide the ingredients for our House Managers to prepare.

## Underwrite the Cost of a Meal

Visit our website to make a donation underwriting the cost of a meal for our guest families.

What your dollars will provide:

- \$20 will help underwrite the cost of daily meals for one family
- \$50 will fully cover the expenses of one lunch for all guest families
- \$150 will fully cover the expenses of one dinner for all guest families

Please consider rallying your friends, family, or coworkers to share comfort and care by providing a meal or by making a donation to the Ronald McDonald House Charities® of Central Florida.
